Information About the Service

The Countrytell Residential Wireless CTW25 service is a broadband Internet service which uses Countrytell’s own wireless network. The service is installed to your premises. Roof access is required for the installation of our equipment and associated cabling to the network boundary point of your premises. Primary purpose of Countrytell Residential Wireless Internet is for Personal or Domestic use only.

Service Availability

Countrytell Residential Wireless service is only available within our service area. Coverage areas are detailed on our website and can be confirmed by contact Countrytell Sales. Not all plan speeds are available in the coverage area. We will confirm available speeds at the time of order acceptance.

Minimum Term

The service is provided on 6, 12, or 24-month contract terms. See minimum total cost applicable to each plan in the Information about Pricing section. Services continue month by month at the end of the contract term and can be cancelled with 30 days notice.

Installation and Activation

- Standard installation is included in the applicable plan activation fee.
- A standard installation includes a 1.2-meter mast, single-story premises and up to 30 meters of cable

- Cabling in your premises beyond the Countrytell boundary point is at the cost and responsibility of the customer.
- Non-standard installations incur a fee of \$330 on all terms.
- Non-standard installation includes multi-storey or multi-tenanted buildings, up to 60 meters cable run.
- Non-standard and custom installations are not discounted.

Residential Wireless Broadband Speeds

- Speeds are offered on an up-to basis, which is the maximum connection speed available.
- The actual speeds for the service may vary due to a range of factors and may be slower than the maximum connection speeds. Factors include demand on the network, local conditions, Internet traffic, line condition, type of connection, hardware and software or the data being transferred.
- Devices connected via WiFi may experience slower speeds than those connected via an Ethernet cable.
- If the maximum speed ordered is not available, we will reduce the plan to the next available speed tier.
- All plans include unlimited data, there is no shaping or restrictions, fair usage policy applies.
- Data Usage can be checked via the Countrytell portal <https://support.countrytell.com.au/>
