Information About the Service

It is delivered using the nbn™ network and includes unlimited Internet data.

Non Commercial Purposes: The service is for residential consumers and used for personal or domestic purposes only

Service Availability

Countrytell Residential nbn™ service is only available within our service area. The service is available in nbn™ enabled areas only, or where nbn™ advises nbn™ connections will be available within three months. [Check your location coverage here.](#)

Minimum Term

The service is provided on 6, 12, or 24-month contract terms. See minimum total cost applicable to each plan in the Information about Pricing section. Services continue month by month at the end of the contract term and can be cancelled with 30 days notice.

Installation and Activation

- Standard installation is included in the applicable plan activation fee
- A new development connection fee of \$300 inc GST may be charged by nbn™. If this is the case we will notify you and bill you accordingly.

nbn™ Broadband Speeds

- Speeds are offered on an up to basis, that is the maximum connection speed available.
- The actual speeds for the service may vary due to a range of factors and may be slower than the maximum connection speeds. Factors include demand on the network, local conditions, Internet traffic, line condition, type of connection, hardware and software or the data being transferred.
- Devices connected via WiFi may experience slower speeds than those connected via an Ethernet cable.
- If the maximum speed ordered is not available, we will reduce the plan to the next available speed tier
- All plans include unlimited data, there is no shaping or restrictions, fair usage policy applies
